## Let's Minimise Traffic Fumes for Fitzwilliam

### Families

Parking at drop off and pick up times remains a challenge for us as it does for most other schools. Please help to make the experience better – and healthier – for our children by turning off your engines while you wait.

### Mr Holmshaw Joins the Fitzwilliam Family

I am thrilled to tell you that Mr Holmshaw, who used to be our Sports Coach during KS2 lunchtimes, has joined our staff.

The majority of his time will be spent delivering excellent PE across school from F2 to Y6; he will also support in lessons and host after-school clubs.

### PE KIT

Because Mr Holmshaw has joined us – and also to aid flexibility in the curriculum – I am asking parents to leave PE kits in school all week. Your child can hang it on their peg on Monday mornings and take it home on Fridays.

### Is your child safe online?

The BBC have launched a new app for children called Own It. The app monitors how young people interact with others online and uses artificial intelligence to evaluate the mood of the child so it can offer advice. For example if the child types 'you're really stupid' the app will alert the sender and ask if they really want to send. It does a lot more and definitely worth a look. ### School Photographs

Please return your consent for photograph forms asap. Without the signed form we won't be able to include your child in the individual photograph days on 22 and 23 October and consequently you wouldn't be able to purchase a school photograph this year.
